Hongkong, 23rd September, 1869.

## Post-Office Notifications.

9.—Should the Payee of a Money Order

desire to receive payment in the Country in  
which the Order was issued, at some other  
Office than that in which the Order was ori-  
ginally drawn, the transfer will be granted,  
provided the Order be indorsed to the  
Postmaster of the Office in which it was  
drawn. In such case a new Order will be  
issued, the Commission chargeable upon  
which will be deducted from the amount of  
the new Order.

10.—In the event of a Money Order  
being lost, or being lost, a duplicate will  
be granted on a written application from  
the Payee, (containing the necessary  
particulars, and accompanied by an addi-  
tional Commission) to the Office where the  
original Order was payable.

11.—On the receipt of a similar applica-  
tion, orders will be given to stop payment  
of a Money Order, or to renew a lapsed  
Order. The additional Commission in the  
last case will be deducted from the amount  
of the new Order. Lapsed Orders must be  
presented with the application for a new  
Order.

12.—But when it is desired that any  
error in the name of the Remitter or Payee  
should be corrected or that the amount of  
a Money Order should be repaid to the  
Remitter, or that a Lapsed Order should  
be renewed for payment in the Country in  
which the Order was originally drawn,  
application must be made to the Chief  
Money Order Office of the Country. This  
application must be accompanied by an  
additional Commission, unless it have re-  
ference to a Lapsed Order, in which case  
the Commission will be deducted from the  
amount of the new Order.

13.—Repayment whether of an original,  
or renewed, or a duplicate Order, will not  
be made to the remitter until it has been  
ascertained that the advice has been can-  
celled at the Office on which the Order was  
originally drawn.

14.—Payment of an Order must be ob-  
tained before the end of the Sixth Calendar  
Month after that in which it was drawn,  
for instance, if drawn in January, payment  
must be obtained before the end of July,  
otherwise the Order will become lapsed,  
and a new Order (for which a second Com-  
mission, to be deducted from the amount  
of the Order, will be charged) will become  
necessary.

15.—If an Order be not paid before the  
end of the Twelfth Calendar Month after  
that in which it was drawn, for instance,  
if drawn in January, and not paid before  
the end of the following January, all claim  
to the Money will be forfeited, unless  
under peculiar circumstances, the Post  
Office of the Country in which the Order  
was drawn think proper to allow it.

16.—After once paying a Money Order  
by whomsoever presented, the paying Office  
will not be liable to any further claim. If  
a wrong payment, however, be made owing  
to negligence on the part of any Officer of  
the Post Office, the Postmaster General of  
the Country or Colony in which the negli-  
gence occurs will, if he see fit, require the  
Officer in fault to make good the loss.

17.—No Money Order will be paid unless  
the advice has been previously received.

18.—Additional Rules for greater secu-  
rity against fraud, and for the better work-  
ing of the system generally will be made  
as occasion may require.

19.—Should it appear that Money Orders  
are used by mercantile men, or others,  
either in the United Kingdom or at Hong-  
kong, Shanghai, or Yokohama, for the  
transmission of large sums of money, the  
British or Colonial Post Office, as the case  
may be, will consider the propriety of in-  
creasing the Commission, and will exercise  
the power of wholly suspending for a time  
the issue of Money Orders.

By Command,  
F. W. MITCHELL,  
Postmaster General,  
General Post Office,  
Hongkong, 22nd August, 1868.

REGISTRATION OF LETTERS AND BOOK PACK-  
AGES EXTENDED TO THE COAST PORTS  
AND JAPAN.

It is hereby notified for general informa-  
tion, by order of His Excellency Sir  
Richard Graves MacDonnell, that the  
system of registration has been, from this  
date, extended to letters and other descrip-  
tions of correspondence sent to the Post  
Office in the Mails by both the British  
Contract Packets and by Private Ships,  
between this Office and each Agency there-  
of in China and Japan, viz.: Canton,  
Swatow, Amoy, Foochow, Ningpo, Shang-  
hai, Nagasaki, Hiogo, and Yokohama, and  
also between any two of these Agencies.

The fee for registration is 8 cents each  
letter, &c.

No Letter, Book, or Packet of Patterns  
can be registered unless the full postage  
upon it, as well as the registration fee, be  
paid in advance in postage Stamps.

Letters, &c., for registration will be  
received up to half an hour before the time  
fixed for closing the Mails.

F. W. MITCHELL,  
Postmaster General,  
General Post Office,  
Hongkong, 13th October, 1869.

be loose or attached; as also rollers in the  
case of prints, markers (whether of paper  
or otherwise), in the case of Books, and in  
short whatever is necessary for the safe  
transmission of literary or artistic matter or  
usually appertains thereto.

Every Book packet must be either with-  
out a cover, or in a cover open at the ends  
or sides.

It must not contain any letter, open or  
sealed, nor any sealed enclosure whatever;  
the name and address of the sender is how-  
ever not only permitted but recommended,  
so that if the cover come off, or for any  
other reason the packet cannot be forward-  
ed, it may be returned.

No packet must exceed two feet in length,  
breadth or depth; exceeding these dimen-  
sions it cannot be forwarded through the  
Post.

AS REGARDS PATTERNS.  
They must not be of intrinsic value.  
This rule excludes all articles of a saleable  
nature, and indeed whatever may have a  
value of its own, apart from its mere use  
as a pattern; and the quantity of any  
material sent ostensibly as a pattern must  
not be so great that it can fairly be con-  
sidered as having on this ground an intrinsic  
value.

There must be no writing or marks other  
than the address of the person for whom  
the packet is intended and that of the  
sender, a trade mark and numbers, and  
price of the articles; otherwise the Packet  
will be detained or forwarded charged as  
an unpaid letter.

The Patterns must be sent in covers  
open at the ends, so as to be easy of exami-  
nation. Samples, however, of seeds, drugs,  
and so forth, which cannot be sent in open  
covers, may be enclosed in bags of linen or  
other material, tied at the neck; bags so  
closed that they cannot readily be opened,  
even although they be transparent, must  
not be used for this purpose. Non-com-  
pliance with this rule will also subject the  
packet to be detained or forwarded as an  
unpaid letter.

The Packets or the contents thereof must  
not contain any inclosure, sealed or other-  
wise closed against inspection.

In all other respects the general regula-  
tions of the Book Post between Hongkong  
and the United Kingdom will apply to the  
Pattern Post. Under these regulations, in  
order to prevent any interruption to the  
regular transmission of letters, a Packet of  
Patterns may, when it is necessary, be kept  
back for the following Mail by which, in  
the ordinary course, it would be forwarded.

The decision of the Postmaster General  
as to the eligibility of any Packet, pattern  
or sample contained therein, to be for-  
warded under these regulations, will be  
final and conclusive.

The rule which forbids the transmission  
through the Post of any article likely to  
injure the contents of the Mail Bags or  
Boxes, or the person of any Officer of the  
Post Office, is of course, applicable to the  
Pattern Post, and a packet containing any-  
thing of the kind will be stopped, and not  
sent to its destination. Articles such as  
the following have been occasionally posted  
as Patterns, and have been detained as  
unsafe for the Post, viz.: Metal boxes, porce-  
lain and China, fruit, vegetables, bunches  
of flowers, cuttings of plants, spurs, knives,  
saw-saws, needles, pins, pieces of machinery,  
sharp pointed instruments, samples of  
metals, samples of ore, samples in glass  
bottles, pieces of glass, acids of various  
kinds, sugar cubes, copper and steel un-  
derneath plates, and contraband of all  
kinds.

F. W. MITCHELL,  
Postmaster General,  
General Post Office,  
Hongkong, October 13, 1869.

CHAIR AND BOAT HIRE.  
The following Regulations for Street  
Chairs and Chair-Coolies, are published for  
general information.

No Street-Chair may ply for hire after  
midnight; they may, however, carry their  
fare as long as required.

Each Chair is to be charged for a sum of \$50.  
Should a Chair be higher than that which  
be lost in any Chair, they will be very  
little hope of their recovery through the  
Security.

When loss of property in any Street  
Chair is suspected, its number should be  
forwarded to the Registrar General at once  
without any loss of time.

When ground of Complaint arises against  
any Street Chair-Coolie, the person ag-  
grieved may either hand the offender over  
to the Police, or send a memorandum of  
the complaint and the Chair's Number to  
the Registrar General. It must however  
be remembered, that the Registrar General  
can inflict only a reprimand, but neither  
fine nor imprisonment, without the testimony  
of an eye-witness on oath. This however  
may be supplied by any Chinese who wit-  
nessed the Offense, if accredited by a com-  
mitment note from his employer.

Persons who are inconvenienced by the  
congregating of Chairs near their premises  
should notify the Registrar General, who  
will, if practicable, establish a "Chair  
Stand" in the vicinity of the place, and  
as far as possible enforce the Ordinance  
in regard to it.

An attempt will be made to enforce the  
ordinary "Rule of the Road," along  
Queen's Road, more especially in the even-  
ing. It is requested that all Persons riding  
in Chairs or driving Vehicles will co-op-  
erate with the Police by observing the Rule  
of the left hand.

Each Street-Chair carries on the back of  
its Number Board a Tariff of Fares con-  
tained from the following.

REGULATED TARIFF OF FARES FOR CHAIRS,  
CHAIR-BEARERS, AND BOATS,  
IN THE COLONY OF HONGKONG.

Chairs, or Ordinary Pullaway Boats.  
Half hour, 12 cts. | Hour, 20 cts.  
Three hours, 60 cts. | Six hours, 75 cts.  
Day (from 6 to 6), One Dollar.  
Night Fares (after 8 P.M.) 10 cts. extra.

Chair Hire to Out Districts.  
Beyond Victoria and back, 50 cts. per man.  
To Stanley and back, 60 "

Victoria lies below the level of Robinson  
Road, and includes all the town between  
the Mint and the Western Slaughter House,  
with the Race-course.

Licensed-Bearers (each).  
Hour, 8 cts.  
Half day, 20 cts.  
Day, 30 cts.

\* Persons who make short excursions out of  
the town should understand that they are quite  
at liberty to pay by the hour if they prefer to do  
so.

Copies of the above Tariff, in English  
and Chinese, or of these Regulations, can  
be obtained on application at the Registrar  
General's Office.

## HOLLOWAY'S PILLS &amp; OINTMENT.

HOLLOWAY'S PILLS.  
THIS Medicine is universally admitted  
to be the most efficacious remedy  
known to the world. No preparation is so  
suitable to the climates of India and China  
as this fine and invigorating medicine. It  
is particularly adapted to the constitution  
of European ladies, as it is never failing in  
its effects in all diseases peculiar to females,  
while those who are attenuated by the de-  
bilitating effect of the above climates will  
find in this wonderful remedy a kind of re-  
storation whereby they may insure a restora-  
tion to robust health.

HOLLOWAY'S OINTMENT.  
The science of Medicine has never before  
produced any remedy that can be compared  
to this wonderful Ointment, as it cures  
after all other means have failed, all  
wounds, sores, ulcers, and also the most  
incurable skin diseases peculiar to the cli-  
mates of India and China. It is the true  
friend of the Soldier and Civilian, as cer-  
tain old sores can be removed by it that  
cannot be conquered by any other treat-  
ment.

ANGLO-CHINESE CALENDAR  
MANUAL.

A Handbook of reference for the deter-  
mination of Chinese Dates, during the  
period from 1860 to 1869; with comparative  
Tables of Annual and Mensural Designations,  
&c., &c. Compiled by WILLIAM FREDER-  
ICK MATYER, H.M.C.S.

Author's Preface.  
Most persons whose avocations or studies  
are connected even remotely with Chinese  
subjects are wont to confess the need of a  
convenient manual of reference for the pur-  
pose of determining dates according to  
either the European or the Chinese method  
of computation; and a system of compari-  
son for the names attributed to years,  
months, and other periods is also frequen-  
ly a desideratum with translators and  
readers of Chinese literature. The com-  
piler of the following tables has thought,  
accordingly, that their publication in a  
convenient form may prove useful, although  
much yet remains to be done for the elab-  
oration of comparative calendars, etc. that  
should leave nothing to be desired. With  
the exception of the Cyclic Table of  
Years, and the Table of Solar Terms, both  
of which were originally compiled by Dr.  
Morrison, and afterwards republished with  
improvements in Williams' Commercial  
Guide, from which (with some alteration)  
they are now copied, the whole of the mat-  
ter assembled in the following pages is for  
the first time made accessible to general  
reference.
